BRUNSWICK BALLROOM

VENUE INFO

Situated in the heart of Brunswick, the Brunswick Ballroom is a reimagined and refurbished space, that has become the beloved home of music and culture on Sydney Road. Residing within the historic Metropolis House building, the room has served as a hat factory, night club and even a French restaurant.

Transformed into a live music venue in 2012, and then reborn as the Brunswick Ballroom in 2021, this unique and iconic space has hosted legendary artists from both Australia and abroad.
